

Boston June 8th

Dear friend,

I have kept
your letter by me & omitted
to reply hoping & indeed
expecting that, though I
give up all but two or
three volume & neighboring
engagements in the summer,

I might plan so as
to accept you.

But I find I
cannot come in

you ask. My

summer months must

be devoted otherwise.

I hope you will

not nickname me

No - for my so constantly
being that moneyable
to you - Indeed I will
try to oblige you next
winter.

As for the loan
keep it as long as you
wish - With much regard

Yr truly

Samuel Phillips
